

# Annual Report

## (2020-21)

Vice Principal (Ms Sonu Sharma)

**"Learning gives creativity, creativity leads to thinking, thinking provides knowledge and knowledge makes you great."**

This report is comprised of the achievements made during the year gone by and at the same time set the path for greater accomplishments in the years to come.

1. As a regular practice followed every year, this session began with the Orientation Programme for the parents of the students of classes Pre-Primary to VIII. The programme made the parents aware of the education pattern we impart here at our school.

2. Keeping ourselves up with the pace of the modern world, Complete Digitilization of the school was undertaken which transformed the entire school chores channel through the Information Technology, bringing in more transparency and enhanced communication with parents and community.

3. Staying updated is the key to success in any field especially in the field of education. Our teachers including our Principal constantly strive to stay updated by attending workshops and various training programmes.

Our teachers attended various workshops like workshop on NURTURING EARLY CHILDHOOD and ADOLESCENCE MANAGEMENT, workshops on various ACADEMIC SUBJECTS. Attendee teachers further share the knowledge with other fellow teachers widening the sphere of wisdom.

4. To take part is what counts in competition and lessons of victory and defeat are what we get in return. This environment was sufficiently created through inter-school, inter-house and inter-class competitions such as debates, Shloka Competition, Geeta Quiz, Creative-Writing, Rhyme and Rhythm, Drawing and Power-Point presentation competitions. Our students took part in various inter-school, zonal and national level Competitions and brought laudable laurels to the school.

5. Students also took part in online Humanity Olympiad

6. ISA Collaborative projects

Students learnt the different dance forms and great leaders of the world through accomplishing collaborative projects of ISA (British Council).

1. Great Leaders

2. Folk Dance

6. To channelize the students' energy in a positive way, school organised a virtual summer camp (during covid-19 situation). Students participated enthusiastically and learnt different dance forms with other activities. School also worked upon making students emotionally strong by giving them tasks regarding Emotional Quotient.

7. To bring our students near to our culture we organized 10 days classes on Spiritual Science and Vedas.

8. Drug awareness programme was organized for the students for their awareness towards better health and well being.

9. Due to Covid -19 situation the exams and assessments were conducted online.

Towards the end, I thank the supportive management who waived off 3 months' fee of every student and supported parent community during this pandemic and their continuous support to our ideology of education has enabled the school to come this far. Teachers and the entire staff members also deserve applause for their tireless efforts in implementing the route map of imparting quality education here. I also extend my heartfelt thanks to the parents of our students who have shown unflinching faith in us by giving us the profound opportunity to transform their children into truly useful citizens of the future world.

With that, let us foresee a world of universal singularity where our children are going to be the propellant of this change and the world shall be a beautiful place to live in..!!!

Thank you very much!!!!!!

Sonu Sharma

Vice-Principal
