

Globe Heritage International School

ANNUAL SCHOOL REPORT (2022-23)

"Learning is not the product of teaching. Learning is the product of the activity of learners"

Excellence in education and fostering the love of learning is the hallmark of "GLOBE HERITAGE INTERNATIONAL SCHOOL".

Apart from preparing the children for academic demands, we give emphasis in preparing our children to face the challenges of the competitive world. It is a matter of great significance to us that the students who pass out from our School be well disciplined and carry forward the values they have inherited and excel in life, being role models in the society.

We strive for excellence in everything we do. Our learning environment allows every student to prosper as individuals. Excellence is our expectation too. Our priority is not just subjects, instead we aim at a Holistic education focusing overall development of our students. Equal opportunity is given to every student.

CBSE EXAMS

We are proud to report that our Classes X students have brought laurels to the school by their excellent result. As always we have 100% pass. We appreciate and congratulate the combined efforts of our teachers, students and parents.

AWARDS AND ACHIEVEMENTS

Globe Heritage International School has been stepping from success to success all through the years since its humble beginning in 2018 and the past year has been no exception. We have done excellently in academics and non-academic areas.

- Rotary Club Radaur and Inner Wheel Club Awarded Nation and Builder Award to 67 teachers of different school and it is proud to announce that 35 of them were of from Globe Family.
- D.K. prize distribution ceremony was held on 13 November in School

With great pleasure, I present in a nutshell the highlights of the past academic year 2021-22 as follows:

Academic Excellence :

The system of education in GHIS, as you all know, is a blend of theory and practice in the right proportion to arrive at a comprehensive curriculum.

Teacher Enhancement Programs :

"It's the teacher that makes the change, not the mere classroom".

Our committed staff is always eager to learn and accept the recent trends in education and ensure maximum learning outcomes in the teaching -learning process.

We equip our teachers to prepare the students for the future and to update their knowledge. For this we arrange Capacity Building Program along with different training every year.

- A Teachers' workshop on Classroom Management and Teaching Strategies was organized in school on 14 September 2022.
- A spoken English Workshop of teachers for one month was also held in school in March 2023
- Robotics and Coding training for 10 days to IT teachers provided by Eduvate in March 2023.

Examinations :

Periodical assessments and evaluations are conducted for the students and their progress are informed to the parents frequently. Subject enrichment activities are done by the students and teachers evaluate these as the internal assessment.

Co-curricular Activities/Competitions and Celebrations:

Globe Heritage International School not only focuses upon the intellectual development of our future generation, but also takes care of their emotional and behavioral development in their early ages of development by inculcating sound moral values, responsibility and social awareness. We are doing it through different co-curricular activities and school celebrations.
